

Fulbright Post-Doctoral Research Scholar Fellowships for Academic Year 2006-2007

Eligibility and Selection Procedure

Eligibility Requirements:

1. Lebanese citizenship
2. Degree or its equivalent.
3. Speak and understand English with enough facility to carry out proposed research.
4. Member of the teaching staff at any university in Lebanon.

Holders of U.S. green cards/passports are not eligible for Fulbright grants.

Fulbright grants do not cover dependent travel costs.

Preference is given to those who have not received their Ph.D. degrees from a U.S. university and/or conducted research for six months or more, during the past five years, in the U.S.

Selection Procedure:

All applications are reviewed by a binational review committee comprised of U.S. officials and of scholars in the field of specialization of the applicants. The review criteria include the quality of the research plan, appropriateness of academic background and adequacy of language ability. Applicants selected for an award will be nominated for affiliation with an appropriate U.S. institution.
